

TSSCC Test and Tune 2002

Tri-State Sports Car Council (TSSCC) is proud to present a test and tune on Saturday July 27, 2002 at Grissom AFB in Peru, Indiana.

This test and tune is for the moderate to experienced autocrosser. Entry will be limited to 40 drivers and limited to TSSCC members until July 14, 2002. After that, it is open to anybody if there are any spots left. Entries must be received by Monday, July 22nd. Any entry received after that is subject to a \$20 late fee. Cost is \$40 per driver (two driver cars have to each pay the entry fee). Refunds will only be made up until Tuesday July 23, 2002 (by 10pm) and must be requested in writing or by email. There is a drivers meeting at 8:50 am and again at 11:00 am (anyone coming late should let me know before hand). This is a pre-registered event only, **no onsite registration**. You must be able to attend one of the drivers meetings. You will have to work one shift of approximately one hour long. A signup sheet will be available at the timing truck to sign up to work. When you are not working, you are free to run as much as you want. With the limited entry, you will have the opportunity to get 30-40 or more runs if you want. For a primer on setting your car up, go to www.TSSCC.org/images/handling.pdf . We will have a short course of about 30 seconds long, a longer 50 second course, a separate untimed 6 cone slalom, and a 200 ft. diameter skidpad. **We will run until 3pm.**

Tom Reichel from Mid-Atlantic Motorsports will be there for your tire needs. If you would like to buy tires from Tom, call him in advance at 219-243-5553 or at hoosier-tom@worldnet.att.net

You can now register by web, just go to <http://register.tsscc.org> and payments can be made through Paypal. Or use regular mail (see address below).

NOTE: Grissom AFB is a large site comprised of a concrete surface. Note that the **ONLY** site entrance you are allowed to use is the entrance right next to the water tower off of US 31 (look for the big water tower on the right side). This is an active site and we could jeopardize any club running there in the future if any of us wanders off of the premises or enters from an unauthorized entrance. If you are not sure where you are going, call the event chair and ask. This is of the utmost importance. Violators will be ejected without refund and can be subject to arrest by military personnel.
